Sherpa Grab & Go Bag

Modular Storage System

Care Instructions

The SHERPA Grab & Go Bag is made from military grade canvas fabric and leather and is designed to give years of service on the road and trail. Canvas is very easy to clean and handle - a soft and dry bristled brush can be used to remove any loose dust or dirt.

If the canvas needs further cleaning, mix clean water and a small amount of mild detergent and use a damp towel or bristled brush dipped in the solution and scrub or rub the dirty areas gently. Lightly spray the canvas area with water to remove the soap residue and dry with a towel.

To keep the SHERPA Grab & Go Bag looking new longer, we recommend treating the fabric with Scotchgard Auto Fabric & Carpet Protector. Scotchgard provides excellent resistance to water, oil and stains and it doesn't change the look and feel of the fabric, so the fabric stays soft and colors stay true. Scotchgard comes in an easy-to-use spray bottle.

Note: Do not Dry-Clean, bleach or put in the dryer as these may potentially discolor the canvas or leather.
